Agenda Topics:

- Computime looking to install pit loop to combat issue of riders going backwards in pit lane. To be added to the Issues Register. Suggestion of demarcation line to be painted in the interim.
- Club bike (CBR125R) has rear puncture, needs tyres.
- Shane to take CBR125R to Symmons Plains.
- Shaun should not have let anyone ride the RC390.
- RC390 to be advertised for hire (for race meetings). Suggestion of the RC390 to be used to lead Novice group on Ride Days.
- Photographer found to be in a dangerous position, map outlining designated safe areas to accompany photographer sign-in form, Merrin to be given copies.

- Ambulance to be booked until 5:00 PM from now on (was 4:30 PM). Len to follow up and check with Shaun whether the 4:30 PM finish had significance.
- Fliers to be organised for shops which advertise that the first Ride Day is free for newcomers. Stuart Bugg to ask Kate regarding fliers, Len to follow up.
- Roles and responsibilities - protocol was reiterated if a problem arises regarding race format. The Race Secretary's responsibility only lies in the proposition of a race format, which is then forwarded to the Steward for approval. If a problem arises on Race Day, the Clerk of the Course is to be consulted.
- Suggestion of only one warmup lap for races from now on.
- Power cutting out in pits during race meetings. Len to ask engineers for quote.
- There is a scooter in the container. Scooter determined to be Shaun's. Shaun to be asked to remove it or donate it to the club!
- Chris to ask Don about a second shipping container for storage.
- Barbecues to be held at the end of Ride Days during the summer months, volunteers needed for cleanup, P.A. announcement to be broadcast in the afternoon.

Meeting adjourned 9:14 PM
