

SRCT MEETING MINUTES - MARCH 2, 2020

OPENED: 6:01 PM

PRESENT: Chris Price, Rod Garrett, Martin Long, Merrin Ploughman, Mat Allen, Brett Mansfield

IN ATTENDANCE: Andrew Vince

APOLOGIES: Kylie Phipps, Mathew Phipps, Len Bester, Shaun Patmore, Shane O'Donovan

ACTION ITEMS:

- Chris to ask Donald Potter for name of concreter for shipping container base
- Rod to email committee with a proposed date for 10 pin bowling
- Martin to send Brett the lap records for the Tassie Junior class
- Mathew and Peter to reiterate ride day rules to Tassie Junior riders next ride day after hearing word of erratic riding in the Novice group
- Martin to research which race fuels are allowed by MA
- Mat Allen to bring photographer zone map to next club meeting
- Rod to lead Novice group next ride day and give some feedback to the group

NEW BUSINESS:

- Doug OK with RC390 being made available for hire on Ride Days, tyres for RC390 no longer needed
- R15 race fairings - Cody Travers is purchasing fairings from Japan to copy
- Circuit breaker near MG car club shed is still being tripped, to reset it a key is needed as the distribution board is inside the shed
- Angle of bike determined not to be an issue with timing loop trigger failures
- 10 pin bowling - 15 people minimum, \$30 for members, \$45 for non-members
- Kylie has picked up a VGA cable
- Martin no longer has to worry about checking tyre temperature differences as the single sighting/warmup lap was a resounding success
- A single decoder was used last race day for the track loop, noise was high, coaxial cable connector possibly rusty
- Natsoft to be used next race meeting

PERPETUAL BUSINESS:

- Martin to create key register on Google drive.
- Chris and Martin to work on protocol document regarding standard operating procedures.
- Shaun's scooter is to be taken home by Shaun.

MEETING CLOSED 8:07 PM
