

Private Ride Days

From time to time we are asked what is involved in hiring Baskerville raceway for private use.

To use Baskerville Raceway, the circuit owners, Motorsports Tasmania, require that all motorcycle hire be arranged through the SRCT. This provides public liability and personal injury insurance through Motorcycling Australia.

Private hire provides access to the racetrack for the entire day but does not guarantee exclusive use. Exclusive hire is available at a greater cost. Please contact the club for details.

There are 2 private hire options available:

Option 1 – Test and Tune Day (1 to 6 people)

Cost \$200 per person

You will require:

- An SRCT or TMCC membership if you don't already have one (cost \$60)
- A Motorcycling Australia competition or recreation licence (day licences are available for \$40)
- A Motorcycling Australia Official approved by the club. The Official cannot be a parent/partner of any rider(s) and cannot ride themselves on the day. If you cannot arrange this, please contact the club and we may be able to assist.
- Someone with a valid first aid certificate. This person cannot ride on the day.

This option allows for slower laps only given the reduced level of medical care. It is a test and tune day, not ride practice day.

Option 2 – Private Practice Day (1 to 12 people)

Costs:

1-5	people	\$1000 total. This is not a fee per person.
6-12	people	\$200 per person

You will require:

- An SRCT or TMCC membership if you don't already have one (cost \$60)
- A Motorcycling Australia competition or recreation licence (day licences are available for \$40)
- A Motorcycling Australia Official approved by the club. The Official cannot to be a parent/partner of any rider(s) and cannot ride themselves on the day. If you cannot arrange this, contact the club and we may be able to assist.

The club will provide:

- A second non riding official
- A higher level medically trained person

This option allows for practice laps at a faster pace
