APPENDIX 3 – 2 HOUR ADDITIONAL INFORMATION

1. MACHINE ELIGIBILITY:

- 1.1 The feature 2-hour race will consist of two classes:
 - TAS SUPERBIKE** – as defined in section 4.1 of these supplementary regulations
 - TAS SUPERSPORT** – as defined in section 4.2 of these supplementary regulations
- 1.2 **FUEL CAPACITY:** The total fuel carrying capacity of any machine entered in the 2-Hour must not exceed that machine's original fuel tank capacity as determined by the manufacturer.
- 1.3 **WHEEL CHANGING:** The addition of any NON original parts which may improve the time required to change wheels is not permitted.
- 1.4 Cross entry from TAS Supersport to TAS Superbike is permitted, by entering both classes on your entry form.

2. QUALIFYING:

- 2.1 A qualifying cut-off of 115% of pole position applies to all entrants regardless of class. Typically, this equates to approximately 61 seconds. **If entering as a team, all riders must qualify within the allocated time.** Baskerville is a reasonably tight circuit and the lap times of different capacity machines can be very similar allowing smaller capacity bikes to be competitive with larger capacity bikes. Qualifying will take place on Saturday.
- 2.2 The top 5 fastest teams in qualifying can compete in Super pole to determine the top 5 starting positions for the 2-hour.

3. RACE FORMAT

- 3.1 The race time will be 2 hours plus 1 lap for the leading bike.
- 3.2 The start will be Le Mans style.
- 3.3 The event will be run flag to flag.
- 3.4 In the event of rain falling after a dry start, the lack of adhesion flag will be displayed. It will be up to teams to choose when or if they should pit to change to wet tyres.
- 3.5 All work carried out on machines during the running of the event must be done in pit lane. Any machine/rider that has re-entered the pits proper will be required to pass scrutineering, and medical if the rider has fallen, before returning to racing.
- 3.6 In the event of a red flag, the race will be stopped. Machines will be required to return to pit lane and assemble in race order at the top of pit lane. Unpowered tyre warmers may be used. No work is to be carried out under red flag conditions, including work/refuelling on any machine which was in pit lane before the red flag was displayed.
- 3.7 At the recommencement of racing, machines will be flagged off in race order sequence. Work/refuelling may recommence **ONLY** on machines which were in pit lane before the red flag was displayed.
- 3.8 Red flag / stopped race will continue with combined times.

4. TEAM INFORMATION:

- 4.1 Riders can ride solo or in a team
- 4.2 Only one bike is allowed per rider/team

5. PIT STOPS AND REFUELLING: It will be necessary to pit during the race to refuel. Refuelling will only be allowed in pit lane using SRCT supplied fuel churns. Each team will be supplied a fuel churn.

- 5.2. The supply of fuel is the responsibility of the entrant
- 5.3. Fuel churns must be filled in the team’s paddock area before being brought to pit lane for machine refuelling.
- 5.4. Pit stops are allowed at any time throughout the race, other than under red flag conditions.
- 5.5. Only 3 people per team are allowed in pit lane during a pit stop
- 5.6. No work is to be carried out on the machines during refuelling.
- 5.7. The procedure for pit stops and refuelling will be discussed in more detail during a rider’s briefing to be held on Saturday
- 5.8. Each entrant is required to supply a suitable person for refuelling. They must wear enclosed footwear, long sleeve tops and long pants when refuelling.

6 PRIZE MONEY:

- 6.1 Prize money will be awarded to the **first three outright finishers** regardless of solo or team status in each category. **TAS Superbike & TAS Supersport dual entries are eligible for prize money in BOTH classes.**
