**Admin Position:** Tim and Ben (MTAs) to start introducing Rachael to setting up events in Ridernet using our upcoming race event to do so.

- **ACTION:** Waiting to hear back from Larry as to whether we can get a different attachment.

**MA Official Requirements:** Mark raised that MA are implementing a blanket requirement for Clerk of Course for ALL events held. While this will only be a level 2, there are few qualified officials at this time. MA will be introducing easier qualification, but implementation date is unknown.

MA will also be requiring working with vulnerable people for all officials INCLUDING level 1 officials.

- **In progress:** Mark contacted Ben and WWVP cert only required for key officials. The MA training has been held and a few of our members attended which is promising.
- **ACTION:** Club will aim to set up group sessions with officials to obtain WWVP cert.
- **ACTION:** Learn how to search for appropriate officials through Ridernet

**2-Hour Subcommittee:** Chris raised the need for a 2-Hour subcommittee and there was interest already starting to build. Chris advised he would work on forming a committee and setting up a date for the first meeting. Most present expressed an interest in being part of the subcommittee.

- **In Progress:** Mark, Chris, Bek, Aaron (and Geoff?) expressed interest in being on the subcommittee
- **ACTION:** Chris to set up a date for subcommittee to meet

**Lights to replace flaggies:** Voted on and deemed not practical.

**Rising Costs and Cross entry fees:** Discussion was had around rising costs and how to compensate. Jeremy suggested the cross-entry fee was too low. It was mentioned that dropping numbers could be improved by better promotion for events. Toby expressed interest in helping with this.

- Discussed and decided that we wouldn't change pricing midyear.
- **ACTION:** set up more access on the club FB business page – Aaron can help with this.
- **ACTION:** Consider organising a stall in a shopping centre to generate awareness and excitement.

**New volunteers:** Toby and Rachel offered to assist moving forward in roles suited to their abilities. Several new attendees to the meeting echoed this and offered skill sets beneficial to the community.

Discussed how having more people involved will make many aspects easier. We need people to assist with BBQs and Sign in. Craig, Mikey and Hans volunteered to assist with sign in.

- **ACTION:** Bek and Chris to show volunteers how to do sign in at the next event.
