Agenda Items

✓	Business Arising from Previous Meeting:	Actions:
	<p>Increasing Racer Numbers</p> <p>Ride day numbers are still good. Lots of interest in ride day riders converting to racers – Just need time for them to transition – all agreed that we are going in the right direction.</p> <p>All agreed for reintroduction of juniors into club rounds – even at a reduced costs for less racers – all agreed that we can’t grow juniors if we don’t have any junior race classes.</p> <p>Ride day people need help changing bikes over – Tracey has TMCC info sheet – Garth can help do up page on website how to get started – Kendal happy to help with brochure. Show race vs road bike same model. Have people who can help people who want to change bikes over. Belly pans – Tracey will send Bek info.</p> <p>Good to focus on junior class. Promote in bike shops. Come and try day. Allow a space for them in the program.</p> <p>Promoting formula Baskerville.</p> <p>Advertise – Kerry Knee will be down – can talk to people about changing bikes from ride to race.</p> <p>Need to promote on FB.</p> <p>Roll over.</p>	<p>Speak to interested ride day regulars and have an info session to help convert them to racing.</p> <p>Begin promoting for juniors.</p> <p>Create race group for past racers and ride day members – Race Your Mates style.</p>

Let people know at the next ride day. Start promoting and bring in 2026.</p> <p>Raffle – anyone who signs up online goes into draw to get free ride day. Advertise for people. Have generic email that goes out to members each time that asks for officials for the day. If we don't have enough volunteers signed up by the close of the event, then we will cancel the event and refund everyone.
